Cracked.Dena Haas is an American writer of fiction, poetry, and creative nonfiction, who had published two novels when she reentered the writing process of her first novel, The Elements, in January of 2011. In 2012, the book won two literary awards: The Carnegie Prize for Fiction and the Heartland Prize for Fiction. The Elements has also been nominated for the Pulitzer Prize. In the summer of 2013, Dena was presented with the PEN/Hemingway Award. In 2016, Dena's third novel, The Naturalist, was named a Barnes and Noble Discover Great New Writers Book for 2016. It also won the 2016 PEN Center USA Literary Award and the 2017 US. Dena and her husband live with their beautiful young daughter, Murphy, near Cincinnati, Ohio.DESCRPTION: It seems like amateur photo models are so often in peak shape. You've seen them. Dirty, but somehow still dewy and baby soft. You never get tired of seeing their bodies, and their faces are often beaming with a certain happiness. On the other hand, they're usually not the sweetest, prettiest, or even the most beautiful. It's often the simplest or the strangest that are the most attractive. That's why I enjoy the time I spend with you- because I know you're gonna get lucky. I know that it's going to be a 6d1f23a050
